

**FOR IMMEDIATE RELEASE**

**Asia Pioneer Entertainment Joins Hands with Partners to Participate in 2021 MGS  
Online Summit**

**Macau, Nov 15, 2021, Monday** –Asia Pioneer Entertainment Holdings Limited (“APE” or the “Company”, with its subsidiaries collectively referred as the “Group”; Stock Code: 8400.HK) has been supporting MGS (Macau Gaming Show) continuously. Due to the restrictions of social environment, the upcoming show will be held on 17th November 2021 via an online platform. APE gets together our global EGEs suppliers joining hands to present a video to showcase their latest products and to share the company news.

**Jumbo Technology Ltd** (Jumbo) shares their **ARK-65™** - the newest GLI Six-seater electronic fishing game. The legendary **ARK-65™ Six-Seater Fishing Game, Ocean Phoenix** is Jumbo’s latest and finest innovation, in which this player-centered product is born for entertaining and aesthetic pleasure.

**Konami Australia Pty Ltd** (Konami) is introducing The **DIMENSION 27™** which is stacked in every way. Three 27-inch monitors beautifully display popular games in crystal clear definition. It is SeleXion® multigame / multi-denom. compatible. The **DIMENSION 49** shares nearly all the same key elements of the premium “J” curve machine—including its sleek design, 4K Ultra-high definition (UHD) graphics, and custom-engineered button interface. It has all the ingredients for a thrilling player experience, combined with the array of original progressive slot series, to drive long-term entertainment variety and asset value to your venue.

**Spintec d.o.o.** (Spintec)’s SicBo with three-level progressive Dragons Jackpot will be

presented to the players. Higher betting players are rewarded with progressing to a higher level, without the need to place an extra bet. Also, pay-outs are happening on a daily basis. Additionally, Spintec's SicBo gives the players the option to multiply their bet win by up to 1.200 times. Its proprietary mechanical dice shaker prevents ambiguous or irregular results. The game can be installed either as a compact 8-player station solution or in an amphitheatre setup.

### **TransAct Technologies Incorporated**

(TransAct)'s Epic Edge® is the most innovative TITO printer on the market, as it's the only one that features an unmatched 300 DPI, a high-speed firmware uploading solution and a single interface board for all games. These unique functions are specifically designed to optimize casino efficiency and save operator's time. Epic Edge tickets also feature dynamic graphic images, making it ideal for implementation alongside bonusing applications such as Epicentral® from TransAct®.

### **Mr. Herman Ng, Chief Executive Officer and Executive Director of APE said:**

“Despite those difficult times, APE and our business partners did not stop to innovate and improve our products and services. Thank MGS for providing this opportunity to let us showcase our developments to the worldwide clients.”
