

Asia Pioneer Entertainment Holdings Limited In G2E Asia 2018

(Macao, 25 June 2018) – Asia Pioneer Entertainment Holdings Limited (“APE” or the “Company”, with its subsidiaries collectively referred as the “Group”; Stock Code: 8400.HK), a leading Electronic Gaming Equipment supplier in Macau, participates the largest gaming show in Macau Global Gaming Expo (G2E) and introduces its suppliers’ new products and the machines details.

This year, APE’s suppliers have brought new technology and machines to Asian market. Jumbo revealed one of the newest games—King of Fishing TM, the first multi-player fishing game series compatible with SAS protocol and casino gaming systems. It offers two different games for players to select from on Jumbo’s touchscreen King Type Terminal equipped with a joystick control panel. The game offers engaging bonus features with payouts up to 4,896 times.

Spintec unveiled a brand new Karma GEN2 at the show. Karma GEN2 is distinguished by a blend of LED technology and sharp design. Additionally, Karma GEN2 has a larger screen to ensure that it is even more user friendly.

Spintec also showcased Aura multigame amphitheater gaming solution distinguished by a wide screen, a prestige of wood and leather offering the highest comfort while playing, a place for drinks and personal belongings, an ergonomic chair offering the best view of the game and the possibility to move the chair back and forth. Both Spintec solutions, Karma and Aura are completely customizable, which means that the operator has virtually limitless options to choose different colors and set-ups.

Spintec ETGs are installed in the most prominent casinos in Asia, including the ones that are operated by all six casino groups in Macau, along with casino in Malaysia, City of Dreams Manila in the Philippines, Paradise City Incheon in South Korea, and Crown Casino in Vietnam.

Spintec's Karma Electronic Roulette has become the number one choice electronic roulette in Macau, and the company now holds a majority share among all new installations in this market.

Konami Australia Pty Ltd unveiled its latest gaming cabinet “Concerto”, which has been recently approved in Macau. This cabinet includes dual 23-inch monitors, a touchscreen button panel and signature highlights such as the unique side lighting element and sleek black finish. The premium series released with this cabinet is called “Cai Lai Si Ji” and includes standalone progressive jackpot settings. This series consists of three game titles – “Wealth of Dynasty”, “Winning Animals” and “Power of Riches”.

Konami’s Concerto Cabinet

During the show, APE has reached out its important clients and introduced them all the brand-new games. 5 casinos were interested in our Spintec Stand Alone Virtual Game, Konami new model Concerto Cabinet and Jumbo fish machine with a total number of 228 units. After a successful partnership with Transact, APE have been following up the sales in Macao and South East Asia and at the end of June Vice President of Transact Mark Kane will visit APE brand-new office.
