Asia Pioneer Entertainment Holdings Limited Volunteer team Takes Care of Greyhounds

(Macao, 2 Aug 2018) –APE staff volunteer team responds to the call of Macau Association for Stray Dogs and Animal Welfare(MASDAW) on 28 Jul. APE staff along with a total of 110 volunteers spent the morning to help taking care of greyhounds to be adopted. They shared a pleasant weekend with care and love to be given during the transaction period.

APE staff, together with other volunteers, arranged more than 500 Greyhounds to walk, defecate and feed. After the staff put on the leash and mask for the Greyhounds, the volunteers led them batch by batch for walk, defecate, feed and bath. Our volunteers, dog lovers, indicated that it was meaningful when they see the dogs being healthy and in good spirit, despite there was a burning sun.

“The company has been rooted in Macau community for 12 years and recently established the Asian Pioneer Entertainment Volunteer Team to actively participate in community social affairs and show care to the local community. Animals are good friends of human beings. The Greyhounds, have been racing in Macau for many years and now that the racing days are over, need help with walking and caring. We also encourage employees to adopt them if they are able. I hope these dogs can be settled down as soon as possible.” said Mr. Herman Ng, Chief Executive Officer and Executive Director of APE.

MASDAW is still accepting enrollment of volunteer by a quota system. For details, please visit their website or social media. In addition, there are other animal welfare groups that are recruiting volunteers.
