**APE attends the 2018 Sands Supplier Excellence Awards Ceremony  
Sands China recognizes outstanding supplier for sixth consecutive years**

**Macau, Friday, November 30, 2018** – Asia Pioneer Entertainment Holdings Limited (“APE” or the “Company”, with its subsidiaries collectively referred as the “Group”; Stock Code: 8400.HK) recently were invited to attend the 2018 Sands Supplier Excellence Awards ceremony held at The Venetian® Macao Wednesday, with Sands China Ltd.. Celebrating its consecutive sixth year, the awards are a global initiative of Sands China’s parent company, Las Vegas Sands Corp. The awards night aims to annually celebrate the integrated resort operator’s suppliers for the extra effort and initiative as Sands China’s key partners.

Winners were carefully selected from among thousands of service providers and suppliers working with Sands China. More than 30 companies were nominated for this year's Sands Supplier Excellence Awards by Sands China's business units and employees that work with Sands China. Over 400 guests attended the awards ceremony, including nearly 300 representing about 150 suppliers from Macao, Hong Kong and mainland China mostly. They represent various industries like construction and development; facilities and services; furniture, hotel supplies; food and beverage; and many others.

“We are more than happy to see some of the winners from long-established local companies that have contributed to Macao's development over the years. Likewise, we are grateful to be one of the recognized gaming equipment suppliers with our efforts and we look forward to future in bringing more contribution to the industry development.” said **Herman Ng, Chief Executive Officer and Executive Director of APE**. The event featured carnival-themed entertainment and an appreciation dinner, recognizing suppliers in seven categories: small- and medium-sized enterprise (SME), corporate culture and sustainability, cost management, service excellence, project management, quality management, and innovation.
