**Macau, Tuesday, June 18, 2019** – Asia Pioneer Entertainment Holdings Limited (“APE” or the “Company”, with its subsidiaries collectively referred as the “Group”; Stock Code: 8400.HK) is pleased to announce its paid summer internship program joint with University of Macau, has launched recently from June to August.

This is the second year in a row of APE to launch internship program. The Internship this year is a full-time student studying in International Integrated Resort Management, specializes in Gaming Management in University of Macau. The working hours will be 480 hours throughout the program. In this period, the student will be placed in different departments including Sales & Marketing Department, Administration & Human Resource Department , Technical Department, etc. Students who complete the program with outstanding results will have priority to receive a chance to become APE full-time employees.

The program is targeted at the students from local higher education institutions who are interested in gaming industry especially the electronic gaming equipment (EGEs) area. Feedback from the internship program students and schools last year was encouraging. To continue the success, 2019 summer internship program as part of its effort to nurture and support young people. It provides training on team work, social skills as well as job skills to young people to broaden their perspectives, helping them to navigate a better future.

“It is honored to support this meaningful program again. APE has been investing resources over the years to nurture young people including our junior staff because the sense of accomplishment and self-worth of the younger generation can bring about positive changes. We are proud to join hands with University of Macau and

share our experience about EGEs and gaming industry. It is anticipated that the students will come back for being an employee after they graduated. ” **said Mr. Herman Ng, Chief Executive Officer and Executive Director of APE.**
